**AGREEMENT FOR DEED** - Any written contract utilized in the sale of timeshare estates which provides that legal title will not be conveyed to the purchaser until the contract price has been paid in full and the terms of payment of which extend for a period in excess of 180 days after either the date of execution of the contract or completion of construction, whichever occurs later.

**APPLICABLE LAW** - The law of the jurisdiction where the accommodations and facilities are located.

### C

---

A Commissioner of Deeds is appointed by the Governor for a four-year term.

**COMMON EXPENSES** -

**COMPONENT SITE** - A specific geographic site where a portion of the accommodations and facilities of the multisite timeshare plan are located. **CONSUMER RESALE TIMESHARE INTEREST** -

- A timeshare interest owned by a purchaser
- One or more reserved occupancy rights relating to a timeshare interest owned by a purchaser or
- One or more reserved occupancy rights relating to, or arranged through, an exchange program in which a purchaser is a member

### D

---

**DEVELOPER GUARANTEE** - A legally binding promise from the developer to maintain purchasers (owner) assessments at no more than a specific level, for a stated time frame. The developer agrees to pay all common expenses in excess of total revenues from purchasers during the guarantee period.

### E

---

**ENROLLED** - Paid membership in an exchange program or membership in an exchange program evidenced by written acceptance or confirmation of membership.

**EXCHANGE PROGRAM** - Any method, arrangement, or procedure for the voluntary exchange of the right to use and occupy accommodations and facilities among purchasers. Affiliated exchange program is any exchange program which has a contractual relationship with the creating developer or the managing entity of the timeshare plan, or any exchange program that notifies the managing entity in writing that it has members that are purchasers of the timeshare plan.

**F**

**FACILITY** - Any permanent amenity, including any structure, furnishing, fixture, equipment, service, improvement, or real or personal property, improved or unimproved, other than an accommodation of the timeshare plan, which is made available to the purchasers of a timeshare plan.

**FIXED-WEEK OWNERSHIP** - A time period that is fixed for each calendar year, either by date or by calendar weeks; most in numerical sequence 1-52. With a week number, your actual start date may vary slightly from year to year. A purchaser may own a deed to use a unit for a single specified week. For example, week 26 normally includes the Fourth of July holiday; week 51, Christmas and so on. If an owner owned week 26 at a resort, they will always vacation in the same physical unit each if they vacation at that resort.

**FLOATING-WEEK OWNERSHIP** - The time period is a non-specified week within a specific season. Owners of a floating unit at a resort might not vacation in the same physical unit each year. The ownership will be specific on how many weeks the owner owns and from which weeks the owner may select for the owner's stay. Some floating contracts exclude major holidays (those weeks may be sold as fixed weeks)

**Example:** A floating summer week where the owner may request any week during the summer season, generally weeks 22 through 36.

In this example, there would be competition for prime holidays such as the weeks of Memorial Day, Fourth of July, and Labor Day. The weeks when schools may still be in session would not be so high in demand.

**FLORIDA TIMESHARING, VACATION CLUB, AND HOSPITALITY PROGRAM** - Created by the Legislature primarily to provide the opportunity for a public-private partnership between the state and the timeshare, vacation club, hospitality, and tourism industries affecting this state. Its functions are -

- Solicit research and educational projects and proposals from the timeshare, vacation club, hospitality, and tourism industries
- Consult with the Florida chapter of the American Resort Development Association (ARDA-Florida), the Chancellor of the State University System, or the chancellor's designee; and
- Assist in the preparation of appropriate reports produced by the program partnership.

**FRACTIONAL OWNERSHIP** - Leisure real estate sold in intervals of more than one week and less than whole ownership. *Fractionals* are usually associated

with the luxury segment of vacation ownership, offering greater services and amenities.

**I**

**INCIDENTAL BENEFIT** - An accommodation, product, service, discount, or other benefit which is offered to a prospective purchaser or a purchaser of a timeshare plan prior to the expiration of their initial 10-day voidability period, which is not an exchange program and which complies with the provisions of the statute. The term shall not include an offer of the use of the accommodations and facilities of the timeshare plan on a free or discounted one-time basis.

**INTERESTHOLDER** - A developer, an owner of the underlying fee or owner of the underlying personal property, a mortgagee, judgment creditor, or other lienor, or any other person having an interest in or lien or encumbrance against the accommodations or facilities of the timeshare plan. With respect to a multisite timeshare plan which contains a component site that is also part of a single-site timeshare plan or condominium or other property regime, the term, except as to any timeshare interest, timeshare unit, or other unit that is specifically subject to, or otherwise dedicated to, the multisite timeshare plan, does not include a developer; an owner of the underlying fee or owner of the underlying personal property; a mortgagee, judgment creditor, or other lienor; or any other person having an interest in or lien or encumbrance against a timeshare interest in such single-site timeshare plan, or an interest in or lien or encumbrance against a timeshare unit or other unit in such condominium or property regime.

**MEMORANDUM OF AGREEMENT** - A written document, in a form sufficient to permit the document to be recorded or otherwise filed in the appropriate public records and to provide constructive notice of its contents under applicable law, which includes the names of the seller and the purchasers, a legal description of the timeshare property or other

sufficient description for a personal property timeshare plan, and all timeshare interests to be included in such document, and a description of the type of timeshare interest sold by the seller.

**MULTISITE TIMESHARE PLAN** - Any method, arrangement, or procedure with respect to which a purchaser obtains, by any means, a recurring right to use and occupy accommodations or facilities of more than one component site, only through use of a reservation system, whether or not the purchaser is able to elect to cease participating in the plan. However, the term multisite timeshare plan does not include any method, arrangement, or procedure wherein:

- The contractually specified maximum total financial obligation on the purchaser's part is \$3,000 or less, during the entire term of the plan;
- The term is for a period of 3 years or less.
  - Excluded from the term, the period of any optional renewals which a purchaser, in their sole discretion, may elect to exercise, whether or not for additional consideration.
  - Included in the term, the period of any automatic renewals unless a purchaser has the right to terminate the membership at any time and receive a pro rata refund or the purchaser receives a notice no less than 30 days and no more than 60 days prior to the date of renewal informing the purchaser of the right to terminate at any time prior to the date of automatic renewal.

**NONSPECIFIC MULTISITE TIMESHARE PLAN** - A multisite timeshare plan in which a purchaser receives a right to use all of the accommodations and facilities of the multisite timeshare plan through the reservation system, but no specific right to use any particular accommodations and facilities for the remaining term of the multisite timeshare plan in the event that the reservation system is terminated for any reason prior to the expiration of the term of the multisite timeshare plan.

**NOTICE ADDRESS** -

- As to an *assessment lien* - the address of the owner of a timeshare interest as reflected by the books and records of the timeshare plan under F.S. 721.13(4) and F.S. 721.15(7).

reflected by the books and records of the mortgagee.

- As to a *junior interest holder*, the address as set forth in the recorded instrument creating the junior lien or interest, or in any recorded amendment thereto changing the address, or in any written notification by the junior interest holder to the foreclosing lienholder changing the address.
- As to an *owner of a timeshare interest*, mortgagor, or junior interest holder whose current address is not the address as determined above, such address as is known to be the current address.

**O**

---

**OFFER TO SELL, OFFER FOR SALE, OFFERED FOR SALE, OR OFFER** - The solicitation, advertisement, or inducement, or any other method or attempt, to encourage any person to acquire the opportunity to participate in a timeshare plan.

**ONE-TO-ONE USE RIGHT TO USE NIGHT REQUIREMENT RATIO** - That the sum of the nights that owners are entitled to use in a given 12-month period shall not exceed the number of nights available for use by those owners during the same 12-month period. No individual timeshare unit may be counted as providing more than 365 use nights per 12-month period or more than 366 use nights per 12-month period that includes February 29. The use rights of each owner shall be counted without regard to whether the owner's use rights have been suspended for failure to pay assessments or otherwise.

Example: Mary has week 10 at Critter Creek Timeshare. She arrives on Sunday, October 3rd, and departs on Sunday, October 10th. Oscar arrives October 10th and departs Sunday October 17th. Mary may be charged for the nights of October 3rd through the 9th (7 nights). Oscar is charged for nights October 10th through October 16th. They cannot both be charged for Sunday, October 10th, as that would double count the usage of the unit.

**OWNER** - Any person, other than a developer, who by means of a voluntary transfer acquires a legal or equitable interest in a timeshare plan other than as security for an obligation. Note - purchaser and owner are frequently used interchangeable in F.S. 721.

**P**

**RESERVATION SYSTEM** - The method, arrangement, or procedure by which a purchaser, in order to preserve the use and occupancy of any accommodation or facility of the multisite timeshare plan for one or more use periods, is required to compete with other purchasers in the same multisite timeshare plan. In the event that a purchaser is required to use an exchange program as the

purchaser’s principal means of obtaining the right to use and occupy a multisite timeshare plan’s accommodations and facilities, such arrangement shall be deemed a reservation system. When an exchange company utilizes a mechanism for the exchange of use of timeshare periods among members of an exchange program, such utilization is not a reservation system of a multisite timeshare plan.

**ROTATING OR FLEX-WEEK OWNERSHIP** - A form of timeshare ownership in which some timeshare units are sold as rotating or flex weeks. This form of ownership provides all owners the right to use different weeks in different calendar years. As a result, owners are able to use more desirable or prime weeks during specific calendar years. The system is structured to provide an owner with a specific week in one year, for example, week 25, then the next year the owner may have use of week 26, the year after, week 27, and so forth.

**S**

**SELLER** - Any developer or any other person, or any agent or employee thereof, who offers timeshare interests in the ordinary course of business. The term does not include -

- A right to occupy a timeshare unit, coupled with a freehold estate or an estate for years with a future interest in a timeshare property or a specified portion thereof, or coupled with an ownership interest in a condominium or cooperative unit
- An ownership interest in a cooperative unit or a direct or indirect beneficial interest in a trust that complies with F.S. 721, provided that the trust does not contain any personal property timeshare interests

This includes the number of periods that a developer can sell to purchasers. A timeshare period also includes the period an owner can use their unit, or exchange or trade for use under an exchange program. Example - Misty Lakes has 100 units. Any timeshare unit in which a door or doors connecting two or more separate rooms are capable of being locked to create two or more private dwellings shall only constitute one timeshare unit for purposes of F.S. 721, unless the timeshare instrument provides that timeshare interests may be separately conveyed in such locked-off portions.
